

FOCUS

our 4th 5th year

For the Week of 27th September 2009

Countdown to Missions Sunday:

Many of the missions that PP now supports are a result of the 'Macedonian call' from these countries. However, India is the exception to the rule.

While PP was reaching out to many countries, our minister was convicted that we cannot bypass the world's largest democracy and second largest nation. He led a team of 7 to Mumbai in 2003. This was followed by a VBS team of 6, led by deacons KC and Swee Aun. Sister Molly Leong who served as secretary for the first trip was the resource person for the second trip.

Our minister and his wife Nat returned to speak at an all-Mumbai session in 2006 and made a special trip to Chennai to contact Tamil-speaking brethren there. Since the trip, we have enjoyed receiving brothers Roy, David, Philemon and Edwin from Chennai at our church camp.

PP is now helping brother Joe Swamy in Mumbai with his working funds for 2 years. Brothers Joe and Hendry from Mumbai have attended our church camps in past years. This year, brother Joel whom our minister met at the Kochin AMF was at our church camp this year.

PP FAMILY NEWS

Right: "We'd like to congratulate the 12 students who have successfully completed the Singing Class Level 1 (July 2009) batch on 20th September 2009. They have now acquired the basic music note reading skills and have satisfied the criteria to proceed to Singing Class Level 2. I thank them for their diligence and patience in working through the music theory and singing exercises and most of all their desire to sing well for the Lord" - **Daniel Ng**

We rejoice that our regular visitor, **sister Barbara Dai** was baptized by brother Tom on Saturday, 19th September. Please welcome her into the family at PP.

Brother Harry Wong will exhort us at our morning worships today. Come back at 6pm when **brother Chern Woon** will speak at our evening assembly.

Join us this Wednesday at 10am for SIBI's **Open Bible Study** new series on the book of Ephesians. The first lesson will be taught by brother Tom Goracke.

We are honoured to have brother Kevin Starr as our guest songleader at the 11am worship. Brother Kevin is the CEO of a company that is involved in the paper industry internationally, an author of Bible materials; yet finds time, not only to worship with the local church but in mid-week services, SIBI classes etc. What a great example he displays for all of us to emulate.

Please place your lunch order for the **a cappella singing** next Sunday with sister Betty at church lobby today.

The Sunday 9:30am Bible Class is enjoying yet another quarterly singing session today with brother Daniel. Next week our adults will enjoy a new series. Elder Simon will lead a team on "Faith to Faith" for the men (at the SIBI classroom at the educational wing) while sister June is coordinating the ladies' series on "Heart to Heart" (at the auditorium).

Bring the entire family for SPC this Wednesday.

The mid-week session will enjoy a singspiration conducted by **brother Jason Mok** this Wednesday. Brother Seah Siow Hwee will continue his new series study on "Anchors for the Soul" next week when he returns from the HZ seminar.

Please confirm your 45th Anniversary dinner booking with payment to sisters Siew Gek, Keng Geok or any of our church staff ASAP. We encourage members to use this opportunity to invite your family/relatives and friends, and introduce the church to them.

India Interest Group (Continued)

As brother Joel is working with Hearing Impaired children, the HI Bible Class is very keen to make a missions trip to Chennai, India on 8-14 October 2009.

The HI missions team consists of 5 HI and 5 hearing members lead by brother Patrick Ong. They have been practicing skits and making bookmarks for distribution for this trip since 3 months ago.

The team will interact with kids in an orphanage in Chennai and a deaf school in Kakinada. It is a step of faith for our HI members and we are encouraged that hearing members working with the HI are also participating in this trip.

In 2010, we plan to bring brother Joe for the SIBI daytime courses as well as to receive brother Roy's wife, sisters Mercy and Rabea, an older girl from the orphanage.

Get to know our New Members

Lorene Paulo

PP is blessed with many foreign visitors who have placed membership with us. Recent additions include sister Barbara Dai (above) from China, sisters Sophia and Lorene from the Philippines.

We can do more than just being there for them. Let us put ourselves in their shoes, get close and personal, and be proactive in anticipating their needs, including them in our activities and making them feel at home.

Let's start with one this week - it will bless you and your family.
