Study of Twins

- Each pair of twins had one who exercised regularly while the other did not. Their blood cholesterol levels were tested after six weeks on a high fat diet, then tested again after another six weeks on a low fat diet. Regardless of their exercise regimen, the twins' cholesterol levels responded similarly to each type of diet suggesting that genetic heritability plays a strong role.
- Knowing that genes strongly influence cholesterol levels doesn't mean we should forget about exercising and eating right. The twins' cholesterol levels increased on high fat diets and decreased on low fat ones. Also, there were only 28 pairs of twins in this study, hardly enough to evidence to generalize to the overall population.

Big Dreams. Big God

Little godder

vs.

Big godder

Robert Dick Wilson, a professor at Princeton Theological Seminary:

- "Well, some men have a little god, and they are always in trouble with him. He can't do any miracles. He can't take care of the inspiration and transmission of the Scripture to us. He doesn't intervene on behalf of his people. They have a little god and I call them little-godders.

- Then there are those who have a great God.
He speaks and it is done.
He commands and it stands fast.
He knows how to show Himself strong on behalf of them that fear him.
You have a great God; and He will bless your ministry.”
- Are you a big-godder or a little godder?

God wants to do New Things in your Life (Isaiah 43 : 18-19)

"Remember not the former things, nor
consider the things of old.

Behold, I am doing a ***new thing***; now it
springs forth, do you not perceive it? I will
make a way in the wilderness and rivers
in the desert.

Do you not Perceive it? v.19

- Perceive (to see, become aware, grasp mentally)
- Seek a new vision. Seek new interest in things of God.
- Nat Cooper

See what God wants for you.

- You Must First See Yourself as God Sees You
- **Romans 8:1** - There is therefore now no condemnation for those who are in Christ Jesus.
- **Vs 2** - For the law of the Spirit of life has set you free in Christ Jesus from the law of sin and death.

See what God wants for you.

- You Must See Your Possibilities as God Sees Them
- God is able to transform the desert areas of your life into fields of blessing and abundance

Change your focus (v.18 don't' look back)

- You Cannot Depend Upon Past Victories To Sustain You.
... forget the former things.
- You Cannot Allow Your Past Failures to Possess You
... do not dwell on the past.

Change your focus (v.18 don't look back)

- You Cannot Live on
Yesterday's Faith

Commit Yourself to God's Plan

- **Psalms 95:7,8**
- For He is our God, And we are the people of His pasture, And the sheep of His hand. Today, **if you will hear His voice:** Do not harden your hearts, ...

Conclusion : Change We Can

"Therefore, if anyone is in Christ, he is ***a new creation***; the old has gone, the new has come! All this is **from God**, who reconciled us to himself through Christ and gave us the ministry of reconciliation: that God was reconciling the world to himself in Christ, not counting men's sins against them... **Be reconciled to God.** God made him who had no sin to be sin for us, so that in him we might become the righteousness of God."
