

Date: 27 March 2020

Dear brothers & sisters in Christ,

All of you will be aware by now that the government has implemented stricter measures to curb the rise in infection cases. This include the suspension of religious services and to keep group size to 10 or fewer persons. These measures will be in place until 30 April and may be extended if the situation does not improve.

As such, all church services will be suspended as per the government's timeline. The following will be live streamed and is accessible via the PPCOC website (<https://ppcoc.org>).

- Sunday Worship (11.00am)
- Sunday Bible Class (9.30am)
- Wednesday Bible Class (7.30pm)

In order for the church to comply with the new measures of limiting the group size to 10 or fewer persons, members are to worship from home except for the assigned men to serve in the live streaming worship and bible class broadcast.

This is a challenging period for all of us but also a wonderful opportunity to draw near to God through prayers and dwelling on His word. The leaders are praying for your physical and spiritual welfare and encourage you to be strong and courageous in the Lord.

If you desire the elders to pray for any specific needs, do drop them a text and they will be glad to do so.

In His humble service,

PPCOC Board & Elders
