This Sunday's texts for worship speak about a way of seeing and interacting with the world—a way that comes from God. Each text bids us to seek this divine perspective in our human lives.

I like the way the Proverbs links the "good wife" (better translated as "woman of strength") with Woman of Wisdom (Proverbs 1–9). Choose a life partner who embodies godly wisdom, Proverbs advises, for only she can bring you a life of security, honor, and mercy.

While Proverbs have instructed us on how to find this partner, Psalm 1 (a Wisdom psalm), puts it all in a nutshell: seek God and meditate on God's ordering of the world.

## Comfort and Encouragement for our Migrant Workers

As for our migrant workers staying in dormitories, they are also finding it tough going - being away from home, having to be confined to the dormitories and having to undergo multiple COVID testing etc. They have been experiencing tremendous physical, mental and emotional stress. We want to reach out to them to show our gratitude, compassion and concern for their situation.

You're welcome to write, draw, paint, and be creative in penning your personal note(s) to our migrant worker friends. Be kind and encouraging, while keeping your lines short and simple—since English is not their first language. If you're unsure of where to start, here are a few suggestions:

- **Express gratitude:** Thank them for their hard work in making Singapore a better place
- **Show compassion:** Empathize with their movement restrictions and uncertainty during this period
- **Be loving:** Offer to pray for God's protection over them and their family back home

Some Young Adults are packing 450 care packs for our migrant workers. Please send your donations to **Basil Chong via PayNow 83339373** and indicate **MW Pack** (name optional).

The target sum to be raised is about \$9000. The church leaders had committed up to \$1740 from church funds to support this project.

Thank you for being a blessing to our friends!

## Financial Support For Our India Mission Partners

The funds will be used to help purchase food, medicines, oxygen concentrators and other needs as required.

During the COVID pandemic, we have seen many needs within the community and around the region. While we may be limited by our resources to help meet the needs, we should do what we can. Recently, we have been made aware of the dire situation in India that has resulted in the spike of COVID-19 cases and deaths there. Our Indian brethren are not spared as several of them and their loved ones have been infected by the virus and some have died from it. Lock-downs and restrictions have also affected their livelihood. We are saddened by their situation and want to take this opportunity to extend our help to our brethren in India.

The church leaders had committed \$2000 from church funds to support this India Relief effort.

*Letter to All Elders, Deacons, Minister and Members of PPCOC*

*10<sup>th</sup> May 2021*

*Dear Brethren,*

*On behalf of Padua Family, I would like to express my deepest gratitude for your unselfish prayers, sympathies, and financial help during this difficult time (loss of my husband Dakila).*

*When my family is facing the toughest times of our life, Brethren, you came to comfort and help me out. Your prayers and financial help mean a lot to me and my daughter Nazalie. I am so grateful for everything, your warm welcome and beautiful smiles during my stay in Singapore. I will always pray to God that He will be the one to reward your beautiful hearts and soul.*

*I am confident to face the future because I know that God is with me as it says in Isaiah 41:10, "Fear not for I am with you, be not dismayed for I am your God, I will strengthen you, I will uphold you with my righteous right hand."*

*Once again thank you so much, Pasir Panjang Church of Christ, I have found a beautiful family through you all.*

*With love and prayers*

*Manilyn B. Padua*
