Kids rule?

Children are a gift from God. Parenting is one of the toughest and most rewarding jobs God has given us. However, when our lives revolve around them, it may pose detrimental effects on both parents and children. How do we manage this?

- 1) How should you prioritize your relationship with God and your children?
- 2) What kind of inheritance do you want to pass down to your children?
- 3) What does Kingdom Parenting look like?

By Adrian Lee

In-person Congregational Worship Service can receive up to 50 persons today due to the increase in number of local Covid cases and the tightening of safe management measures by the authorities from 16 May to 13 June. REAL LIFE THEOLOGY

Dear friends,

We are releasing our first Real Life Theology book in the **12-book series** and as we release them, **we want you to be the first to have a copy.**

Here's a list of the 12 Real Life Theology books coming out this year:

- **Bobby Harrington & Scott Sager**, Disciple Making: The Core Mission of the Church (May 19)
- **David M. Young**, Holy Spirit: Filled, Empowered, and Led (June 18)
- **Chad A. Ragsdale**, Christian Convictions: Discerning the Essential, Important, and Personal Elements (July 9)
- **Anessa Westbrook & Michael Strickland**, New Birth: Conversion and Baptism (July 23)
- **Matthew W. Bates**, The Gospel Precisely: Surprisingly Good News about Jesus Christ the King (August 6)
- **Mark E. Moore**, Faithful Faith: Reclaiming Faith from Culture and Tradition (August 13)
- **Kelvin Teamer**, Kingdom Life: Experiencing God's Reign through Love and Holiness (August 20)
- **Orpheus J. Heyward**, God's Word: The Inspiration and Authority of Scripture (August 27)
- **Richard A. Knopp**, Truth about God: What Can We Know and How Can We Know It (September 3)
- **Carol M. Swain**, Countercultural Living: The Teachings of Jesus on Life, Marriage, Race, Gender, and the Material World (September 10)
- **Tony Twist & Mihai Malancea**, Grand Metanarrative: God's Story as an Invitation to Theology (September 17)
- **Gary L. Johnson**, The End: The Return of King Jesus and the Renewal of All Things (September 24)

Would you like an advanced copy of one of the books?

If you let us know who you are (by emailing us at info@renew.org), and **send us a list of your top 3 books, we will send you an advanced e-copy** (and we will try to match it with your choice, although we can't guarantee it).

We are also **hoping that you will read the book and consider writing an honest review of the book.** Your review can be **as short as a couple of sentences**; or it can be long and detailed. However, you are under no obligation to review the book in exchange for receiving the advance copy, and we are not seeking to influence any review you may give the book. We are only asking you to read it and **consider providing honest feedback** so others may be able to decide if the book may be helpful to them.

If you are interested, **here are the 3 steps** we are asking you to take:

1. Email us at info@renew.org.
 2. From the list above, let us know **your top 3 book choices**.
 3. **Read the book**, and **consider** providing honest feedback in the form of **an online review**.
- When you email us, we will send you details** on how to leave a review.

Thanks for your interest in these *Real Life Theology* books. We believe God will use these books to help build up the foundations of good theology for future generations.

A prayer about God Sightings - looking for divine appointments

O HOLY SPIRIT,

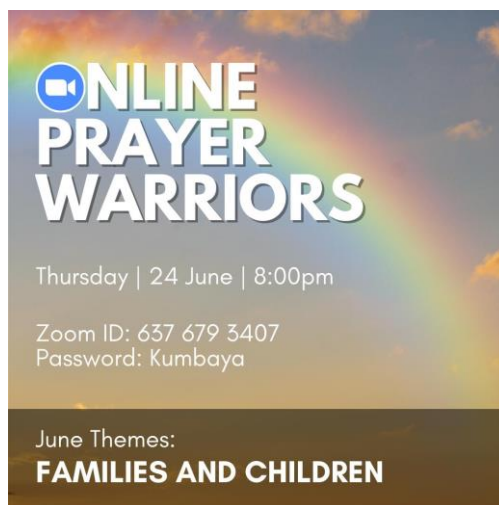

Looking back over our life, we recall many times when we were oblivious to your presence, totally unaware of your working in us and for us. The big moments stand out in our memory, of course, but we often missed you in the small ones.

Today's verses remind us that you direct our steps and are involved in "every detail" of our life. What an amazing promise! What a comforting and challenging thought!

It means you want to guide us, protect us, and give us opportunities to glorify you. It means that nothing happens by accident or coincidence. Even disappointments, losses, and other setbacks reflect your perfect will for us.

So now we implore you, Spirit of God, to make us sensitive to your leading this day—right now as we prepare and begin the day; in the morning and afternoon as we carry out our responsibilities and relate to a wide variety of people; in the evening as we wind down. Open our eyes to your work all around us.
