Stewarding God's Resources

By Terry Wan

Livestream @ 11am
ppcoc.org/live-stream

What we have does not belong to us. Scripture tells us that God is the Creator and Possessor of all things in heaven and on earth. We humans are God's representatives on earth to steward and nurture creation. The things of earth are not ours to use as we please; rather, we use these things as God pleases for His glory.

Many of us who live in Singapore have money and resources in abundance. This is a blessing indeed, but with great blessing comes great responsibility to share the blessing.

The question for us is this: how does God call us to steward our blessings wisely and with great generosity? How do we use our blessings not for *our* comfort and enjoyment, but for others?

COVID-19 Guidelines

We welcome up to 50 persons to attend in-person worship. If you would like to attend, please visit ppcoc.org and fill out the registration form. The form opens on Monday and closes on Friday, 12 noon. You will be notified if you are eligible to attend.

If you are unable to attend in-person, do join us by accessing the live-stream through our website. We look forward to worshipping with you!

Due to Work-from-Home regulations, our full-time staff will be working from home and the office will be closed. Please contact them directly should you have any enquiries.

1 August | AMF Sunday Worship

On Sunday, AMF will be embarking on something massive and exciting: an international Sunday worship service.

Starting at 11am Singapore time, worship leaders from Singapore, Thailand, Cambodia, Papua New Guinea and the United States will lead our global community in worship via Zoom.

PPCOC will be adjusting our worship series so that we can worship together with our brethren from all across the world. We will continue to meet/live-stream at our regular timing of 11am.

Rebuilding Project

We expect to begin calling for Tenders in August and to complete Tender Evaluation by end-September.

The Board will evaluate the Tender results and the funding position before deciding on the timing of award of construction contracts and rebuilding.

As we near the true beginning of the Rebuilding Project, we hope that you will consider making additional pledges to facilitate a timely and smooth process.

Please contact our Rebuilding Committee Chairman, Pang Tee Liang, if you have any questions on the project.

Please contact our Pledge Committee chairman, Peter Lim, should you wish to make additional pledges to the project.

Praise the Lord for bringing us this far, and let us pray for His continued providence as we move forward with this grand project for His glory!

Family News

Youth Huddle

On Saturday, 3 July, the Youth Ministry took the opportunity to gather in groups of five at the homes of church members for a time of food, fellowship, and devotion.

We want to say a huge "Thank You!" to our host families for opening your homes to our youth, and for all youth and parents who make fellowship a priority! See you next time!

Song Service/Funeral for Sis. Nancy Cheng

On Sunday, 4 July, the Lord called sister Nancy Cheng home to eternal life.

The church conducted a song service on Monday night at the church building, followed by the funeral on Tuesday morning.

The PP family stays together and supports each other through life's many transitions. We rejoice when our family rejoices and we mourn when our family mourns - until the day we are reunited in our eternal home together.
