Sunday Morning Worship

The Tales of Two Kings | 15 January 2022

When I (John) was growing up, playing 'follow the leader' was especially fun when I was the leader (which was not very often). It meant I could do whatever I wanted - people listened to me and I didn't have to listen to anybody! (I have since repented of that idea!)

When one becomes the leader of God's people, however, things look slightly different. If God's people are defined as those who shema God's voice, the leader of these people must be the one who shemas the best. The nation of Israel rose and fell based on how well their king listened to God's voice. Today, we explore two tales that teach us how we can listen, and what the fruit of listening (or not) looks like in our lives.

PP Phototaking

As we begin 2023 by shema-ing God's voice about who He wants us to be, we also want to show the world that we are God's people and we delight in being that way!

To make this happen, brothers Shawn Li and Larry Lim are working to curate an "image library" of life at PPCOC that shows our joy in worship, our love for one another, and our hope in the Lord Jesus. These images will be used on our website and social media platforms.

Brother Larry will be moving around the worship hall to take photographs during worship on 22 and 29 January. When he comes around, you can either wave and smile for the camera when it's appropriate, or simply continue worshiping normally.

If you do not wish to have your picture taken and used for these public purposes, we invite you to sit towards the left side of the worship hall. You can also let brother Larry know if he approaches you.
