Sunday Morning Worship

19 February 2023

Have you ever had a thought in your mind that was crystal clear to you, but you couldn't quite find the right words to express it? Maybe it was beholding the beauty of creation in a sunset, or tasting a childhood treat that you haven't had for years, or that feeling when you're with your 'special someone'. It's a feeling that's beyond language itself!

That's what the Hebrew word "khesed" is like. Even the most brilliant Bible scholars struggle to find the right words for it. So they use a variety of terms including "lovingkindness", "loyal love" and "steadfast love". They all speak of a divine love that is rock solid and everlasting, holding firm even under great trial and testing, desiring the best for the beloved. And thank God, we are His beloved.
