Sunday Morning Worship

Mourning In Death | 26 March 2023

The popular sci-fi TV series "Star Trek" begins with the line "Space: the final frontier" but that's not entirely right. For humans, there is a frontier more final than the endless reaches of space, a region more murky and unexplored than the universe itself, and it's a place where few would willingly venture: death.

Yet as long as we are human, death is an inevitable and scary part of life. We dread it so much that we'd rather not mention it at all, as if ignoring it somehow postpones it.

The biblical story shows us how we can deal with the final mystery of death. It's not by ignoring its reality or brushing it off like it's nothing. Rather, we enter it willingly, looking to Jesus who went that way before us.

What It Means To Be A Disciple Of Jesus

GCW Appreciation

We thank God for our time here at Grand Copthorne Waterfront Hotel! We've been meeting in these ballrooms since February 2022 and are ready to begin a new chapter of our journey from next week onwards. Please show your appreciation to the staff as we leave the premises today!

PPCOC Seniors Ministry

Spirited Seniors For Christ (SSC) is a newly formed ministry by seniors for seniors to (1) strengthen faith, (2) grow in fellowship and (3) serve the Lord together. It is led by brother Roger Hiew and sister Joan Lee, and we praise the Lord for the passion and zeal of this team who desire to serve the Lord and minister to His church!

Stay tuned in the coming months for their plans and activities, and please feel free to approach them with ideas, suggestions or to volunteer with them! See page 8 for their inaugural event!

Oasis @ Science Park: Stay Tuned

Last week, we received notice of an unexpected delay: the lift at the Oasis building is still awaiting regulatory approval. While we are working with the Oasis management to finish it as soon as possible, there is a possibility that our services may only begin at Oasis at a later date. As such, we may need to move to home-based livestreaming while we wait for this to be completed.

We will be sending updates via WhatsApp broadcast during the week to inform you of our worship arrangements for 2 April and subsequent weeks if necessary. We seek your grace, understanding and prayers as we navigate this phase of transition.

Church Transition Plan - New Admin Staff

As part of the church transition plan, we are looking to employ an Administrator to organize the church's day to day operations. The job will be to provide clerical support to the ministers and other ministry leaders and coordinate all daily administrative activities.

The person should be highly organized and be able to multitask with ease. The candidate should have experience as an office administrator, secretary or other relevant administrative role.

The candidate should also be familiar with office software (e.g. MS Office), including word processing, spreadsheets and presentation applications.

Interested applicants are to approach Elder Peter Lim or Bro. Harry Wong for more information on the job details. We look forward to growing our team of ministry staff who will jointly enrich and empower our church family to begin the next chapter in our journey.
