Sunday Morning Worship

Song and Word | 2 April 2023

Over the past few weeks, we've been exploring how the Psalms empower us to mourn well, through words and imagery and gut-wrenching prayers, amid the painful brokenness all around us. There is one more part uniting these Psalms that we haven't explored - the fact that they are songs.

In our church family, we have Song and Word services where we allow extended times of Scripture Reading and responses through song and prayer. That's because we believe that music is God's great gift to us so that we can respond to Him in ways that words alone cannot.

Indeed, what better way to mourn our sin, suffering and death than to find space for confession, fellowship and submission through music?

Church Camp 2023

Register by 9 April!

You still have two more weeks to sign up for our first church camp since the pandemic! It is already shaping up to be a great experience of worship and community, and you don't want to miss out!

Hosting International Guests

We are delighted that several international brothers and sisters will be joining us at camp! Some plan to be in Singapore for a few days before and after camp to spend time with our church family in worship and fellowship.

If you have extra room in your house, we invite you to consider hosting some of these brethren! It is a great opportunity to show Christian hospitality, and we believe that time spent living together with faithful disciples of Jesus from around the world will be a blessing to you and your household.

If you are interested to be a host, please approach Kyle or elder Peter for details on dates, numbers and other details.
