Sunday Morning Worship

The Priests Who Sacrifice | 14 May 2023

When we think about "priests", we most likely think of a person in special robes around a smoking altar offering a sacrifice. In the story of Israel, the tribe of Levi was specially selected to minister to YHWH, and the family of Aaron in particular was to be the line of the high priests. God had a plan for everything - just read Leviticus if you need proof!

But what happens when that whole plan falls apart? What happens when God's chosen ones, those specially groomed and equipped to image God and bless the world, sabotage God's plan?

We continue to live in a world of brokenness - even God's church is full of it! Yet God in His grace does not give up on His plan to work with and through imperfect humans. And today, we explore how He works.
