Sunday Morning Worship

The Anointed One Is The Royal Priest | 4 June 2023

Throughout this series, we've been exploring various aspects of "royal priesthood", which is one of Scripture's most common ways to describe who God's people are and what they do. We have seen that this royal priesthood is (1) God's image who (2) bless the world by (3) creating spaces for God's presence (4) as kings and queens.

Today marks our last week exploring this theme, and we see all of Scripture's imagery converge in a single human who perfectly fulfils every aspect of the royal and priestly calling. Jesus of Nazareth is the ultimate royal priest, and the good news is that He is for us.

But that's not all. Jesus not only serves as our royal priest for our benefit, but He also makes us royal priests for the benefit of the world. As Christ is, so have we become. It is our time to put on the royal crown and priestly ephod we were always designed for, and to image God to all the world.

Apologetics Class Graduates

From January to May, a passionate group of teachers has been running an Apologetics class for young Christians. They explored topics such as "Does a Creator God Exist", "What is the Bible and Can We Trust It", and "Who Is Jesus and Is He God"? This is our sixth batch of graduates.

We are proud of our latest batch of graduates who have been equipped with a fuller knowledge of the good news of Jesus! We will hand out certificates and a prize during today's worship service. Please pray for and support these students as they go into the world and proclaim the Gospel with confidence!

The Teh-ology Podcast: Season 1 Finale on 7 Jun

Since August 2022, Irvin, John and Kyle have been working on "The Teh-ology Podcast"! It's a space where we engage with the Sunday message and have conversations about how we can live out the Word of God. These are bite-sized nuggets of God-ward thought, perfect for a commute or short walk in our busy lives!

We have been encouraged by those of you who have listened in, made suggestions and affirmed this work. We're also excited by the ways that you have described the podcast to have added that extra infusion of spirituality to your week.

This Wednesday, we will release our final podcast episode for this season. We'll resume our podcasts in August. If you'd like more, we encourage you to check out our earlier episodes! See you in August for more Teh-ology Podcast!
