Sunday Morning Worship

Song and Word | 30 July 2023

Praise. Lament. Hope. These are the postures of worship that Christians have always adopted before God, each shaping and adding to the others, and today we get to immerse ourselves in each of them.

Praise is our first and most natural response to God when we behold Him in His absolute, overwhelming glory. Our souls are stirred by a God who is so infinitely beyond us, yet has made Himself so accessible and present.

Lament is what we bring with us into God's presence when His light shines upon the condition of our souls and our environments. We find that our world is not all that we want it to be, and we grieve that.

Hope is when praise and lament meet in the same breath, for we believe in the Lord Jesus Christ who is making all things new, now in part and one day perfected.

We are thankful for the good work and progress being made on the building at 347 Pasir Panjang Road! Let us continue to pray for the safety and well-being of the workers and construction staff, as well as our Rebuilding Committee that remains hard at work to get all the relevant details worked out.

Irvin Wan: Licensed Marriage Solemniser

We are happy to announce that our Lead Minister Irvin is now a Licensed Marriage Solemniser! This means that he will be able to officiate at weddings and facilitate the legal union of man and woman to become one life-giving being, just as God intended!

We also like to take this opportunity to share that the church offers pre-marital counselling for couples who intend to get married. We offer this as a service to members of PP Church of Christ, Christians who are not within PP church and non-Christians seeking to learn more about God's design for marriage.
