### BECOMING

The People of God

### Becoming The People of Water | 2 August 2023

Jesus the Messiah is risen from the dead, exalted to the right hand of the Father, and pouring out his Spirit upon all the world. What do we do in the face of such a glorious reality?

Scripture tells us that the natural outworking of the gospel is that a community is born. As more and more people heard the message of Jesus the Messiah, their lives were transformed by the Spirit of God. They spoke about a gospel of hope where God's kingdom had finally come to earth. They lived a baptismal lifestyle of dying to self and living for another.

What would it look like for us to live in, and be known by, the power of the Holy Spirit? For He has not gone into retirement, as some suppose, but is alive and working in his people today.
