## Sunday Morning Worship

### BECOMING

The People of God

### Becoming People of the Word | 13 August 2023

What brought together a ragtag band of Jewish misfits and turned them into the most influential community in human history? What unites us today when we gather on Sundays in a rented auditorium with people from totally different walks of life?

The answer to both questions is the same. It is, as Acts 2 puts it, "devotion to the teachings of the apostles". It's the story that they told about Jesus of Nazareth, who through life, death and resurrection revealed Himself as the Messiah of Israel and Saviour of the world.

It's a story handed down for generations, parents faithfully retelling it to their children, so that it might become the story and identity of all who receive it. Today, let us meditate on this story and become people of courage, humility and joy.

## Teh-ology Podcast: Season 2!

Enjoy another bite-sized, wholesome, spiritually-packed reflection this coming Wednesday on the Teh-ology podcast! Find us on Apple Podcasts and Spotify and stay tuned to the spiritual journey of the church!

This week, the ministers chat about what drew us to the Word of God in the first place, and how that Word continues to shape our lives today. Let's all strive to live in the Word and by the Word!

## Rebuilding Updates

1) During the BF status update in April 23, we mentioned that we had a cash flow shortfall of about \$940k. Today, this shortfall is now only \$317k. We thank God for His faithfulness in helping us move closer to the target and for members who have given to reduce the shortfall. Some have shortened their pledge instalments or converted to lump sum giving. What a wonderful testimony of sacrificial giving!

2) We want to thank the Chinese congregation for fulfilling their pledge of \$500k with the final donation of \$200k being given last week. We appreciate their constant support, prayers and giving towards the rebuilding project.

3) We want to thank Highland Oaks Church of Christ from the US for their donation of US \$10,000 to the building fund. We value the partnership we have with them and appreciate their support and prayers for the project.

4) The TOP has been delayed to end Oct 23 and after that, the premises will be prepared for us to have our first worship in Jan 2024. Continue to pray for the smooth completion of the construction phase and preparation for the building to be ready for use.
