### BECOMING

The People of God

### Becoming People of Prayer | 27 August 2023

When we speak of "prayer", we mostly think in terms of "prayer requests". We believe that God answers prayer, and this is a great privilege. We ask God for strength to endure trials, for peace in times of fear, for healing in sickness, and joy in times of sorrow.

Yet prayer is also more than a list of "requests". In its highest form, prayer is to Christians what breathing is to the human body. It is a natural, life-giving act that allows us to do everything else in this world. Prayer can happen everywhere and all the time, whether we are on the move or in bed, when we are hard at work or lazing around at home.

Today, let's return again to the way of prayer of the early church and of our Lord Jesus: the prayers that set the world on fire with Good News.
