BECOMING

The People of God

Becoming People of Worship | 3 Sept 2023

When we speak about "worship", we usually mean the collection of activities we carry out on Sunday morning. Singing, Scripture, Sermon - these are the habits of our community, repeated from week to week to remind us of the timeless story of Jesus the Messiah. And the more we do them, the more our lives begin to mimic this story.

Yet "worship" covers much more than Sunday morning. Paul tells us that our entire lives are meant to be offered as "living sacrifices". Every breath we take is a song of praise, and every word we speak is a proclamation of the Gospel of Jesus.

Today, we explore what it means to "become" people of worship. It's not just about getting better or being "correct" on Sunday morning, but allowing the spirit of Sunday morning to shape every other day.
