BECOMING

The People of God

Becoming People of Generosity and Favour 10 Sept 2023

Historians tell us that the early church was mostly made up of poorer people. After all, Jesus often said things like "Blessed are the poor" and "How hard it is for a rich person to enter the kingdom of heaven!" So it might seem strange that the early church was also known as "generous". How can one be generous when you do not have much to give?

In fact, that is precisely one of the reasons Christianity was so powerful and persuasive in its early days. People shared generously even when they technically did not have very much - because they knew they had an eternal inheritance in Jesus that was worth more than all the riches of the earth. The people around them may not have agreed entirely with what those Christians believed in, but we are pretty sure they were well-liked.

How might we be known for generosity and favour today?
