## Sunday Morning Worship

### A New People | 17 Sept 2023

Like the ancient people of Israel, our church family at PP has been on a journey this year, preparing to leave the wilderness behind and enter the land that our God gave to us all those years ago. And just like the people of Israel, we know that as we enter the land that YHWH has prepared for us, we are being transformed into a new people with a new vision.

When we started out on this journey, we didn't know where we were going, but we knew that like the people of Israel, we needed to shema. We need to shema who YHWH our God is, for He is One. He would be our Vision-Caster, our People-Maker, and our Everything.

So what have we, the people of Pasir Panjang, shema this year?

We shema that YHWH is God, and He calls us to be His Image-Makers and Table-Spreaders. He calls us to be a Compassionate and Restorative people. And He calls us to be Missional and Revelational, to the ends of the earth.

Pray with thanksgiving for how we currently live out a particular value, or ask God to reveal how we can practice a value more fully!
