Sunday Morning Worship

Revelational | 24 Sept 2023

Romans 1:19-20 tells us that God reveals Himself through the world He created. This means that when we look at the world around us, we can see God's fingerprints everywhere. The beauty of nature, the order in the universe, and the amazing creatures that inhabit our planet all point to a Creator. It's like a big, beautiful picture that God painted to show us who He is!

God also reveals Himself through the wondrous mystery of Jesus. And we, as followers and disciples of Jesus, have the privilege of revealing Him and the wondrous mystery of the Gospel to the world. We can see Him revealed as we look at Scripture, and as the Spirit reveals Himself through each of us.

So, if you ever wonder about God, just take a look at the world around you. You'll see His power, His creativity, and His love displayed in every corner of creation, through Scripture, and even in your brothers and sisters in Christ.
