Sunday Morning Worship

Filled With Hope | 26 November 2023

In the beginning, God made man and woman in His Image. But with the choice to sin, these Image-Bearers distorted the Image of their Creator. However, God did not give up on His Image bearers, but continued to seek to restore their former glory. Abraham, Isaac, Jacob, and eventually all of Israel were called to be Image-Makers for YHWH. And again, they chose to follow other Images, making corrupted Images instead.

But YHWH, in His rich love, sent the perfect Image of the invisible God. Wrapped in cloth and placed in a manger, this Image-Maker would become the great King. His Image would overflow to others in Hope, Peace, Joy, and Love.

Today, we celebrate the coming of the fullness of God in flesh. He is the perfect Image who shapes us into A New People, the Image of God that we were always meant to be.
