Sunday Morning Worship

Filled With Peace | 3 December 2023

Jigsaw puzzles are fascinating. Every time you find the piece that fits exactly right, you get a flush of excitement because it feels so right. Eventually, you're down to one final piece, and when you pop in the last piece, the feeling is almost magical. The picture is whole, it's complete, and it's beautiful.

The ancient Hebrews had a word for this picture of completeness and beauty: "shalom". We most often translate this word as "peace", though the Hebrew word carries much more weight than our English counterpart. But like a puzzle with a missing "piece", our world seems to suffer an absence of "peace". Something isn't complete, and we hunger for a restoration to beauty, a return to completeness.

As followers of Jesus, we believe that this missing peace/piece is found in only one place. And we find it when we find the One who is the complete Image of God.

Mission Trips: John & Wendy Then

John and Wendy Then have been on a bumper crop of mission trips this year, and most recently they visited India and China. By God's grace, they have strengthened our brethren in these countries and returned to Singapore safely.

We invite members who are interested in missions to spend time with John and Wendy and chat about their experience!

Welcome Baby Joanna Goh!

We rejoice with the family of John and Deanna Goh on the birth of their second child, Joanna Goh! May the grace of the Lord Jesus Christ and the love of God and the power of the Holy Spirit dwell in her always!

Last Saturday, the Seniors Ministry organised a sewing workshop. Participants learned to make a skirt, with many doing so for the first time, and they were able to wear their masterpieces by the end of the session. It was especially heartwarming as members from the Deaf ministry joined the session.

Stella Kweok, the main organiser, would like to thank Sis Doreen, Farida, Kelly, Lai Fun, Molly & Soo Lang for helping to bring their sewing machines to some of these workshops. Special thanks to those members who know how to sew and help to facilitate and guide newcomers.

We would like to thank all the participants for joining the three sewing workshops conducted since August this year. In the future, sewing workshops will be conducted in the new church building. Please stay tuned to the Focus newsletter for future events!
