Sunday Morning Worship

Filled With Love | 17 December 2023

In the bestselling book “The Five Love Languages”, Gary Chapman talks about five ways that we show and receive love. These include quality time, physical touch, words of affirmation, gifts, and acts of service. While they look different, each ‘language’ is a different way of saying: “I am here with you.” This invites us to ponder – How does our God show us that he is here with us?

We believe that the story of Scripture is about God coming to dwell among His people. At first God dwelt in a special tent called the Tabernacle, then He dwelt in the Temple of Jerusalem, marking His desire to always be with His people. And the crowning moment of this grand story was when God didn’t just dwell with His people, but became one with His people.

And He is called “Immanuel”, God-With-Us.

Building Access Form

Excitement is in the air as our building at 347 Pasir Panjang Road nears its completion!

At this stage, however, we would like to remind all members that it is near completion, not completed yet.

Thus, we seek your understanding to not enter the building until we have fully taken over ownership of the building for safety and legal requirements.

We would like to request for ministry leaders who wish to enter the building to make preparations such as planning the space or storing equipment to complete our Building Access Form by scanning the QR code above. This is to help us keep track of who enters our building, and to support the contractors in knowing who is allowed into the building.

Thank you for your understanding and cooperation in helping us prepare for the new journey ahead!

Focus Day 2024

We are looking forward to our annual Church Focus Day! It's a special way to kick off the year by celebrating the journey that God is about to bring us on, in our new building itself!

While we explore the plans for 2024, it is primarily a day of prayer - not so much for God to bless "our plans", but rather for the privilege to participate in God's plans and purposes! Let's start the year right - together!
