Sunday Morning Worship

Song and Word | 31 December 2023

We're finally here! Today is the last day of the year, and we're so glad that we got to spend this amazing year with you! It has been a year of listening, discerning, and learning to obey the voice of God and the prompting of the Holy Spirit. Through the ups and downs, both in our personal lives and as a church family, we believe and confess the goodness and faithfulness of God!

Today, we engage the spiritual discipline of Celebration! As CS Lewis puts it, "Joy is the serious business of heaven." We thank God for being among us, and we celebrate each other for being God's images in the world. Tomorrow, a new year and a new season begins, and the same God will see us through it. Come quickly, Lord Jesus!

Family News

Welcome Josephine Seah!

We are delighted to have sister Josephine Seah officially join the ministry staff from 1 January 2024! She is the wife of Johnston and mother of Gabriel and Genevieve.

We praise God for the step of faith that she and her family have chosen to take to serve the Lord Jesus and His kingdom! Ministry is, after all, a family decision!

As announced at AGM 2023, Josephine will be taking on the role of ministry executive. Her roles include (1) data management and ministry support, (2) benevolence and hospitality, and (3) asset and facilities management. Her working days are Sunday, Tuesday, Thursday and Friday.

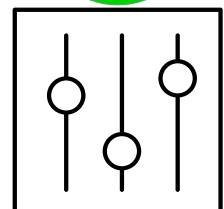

As Josephine enters ministry, we invite the church to pray over her and her family as they take this step together. Join us in praying in the following ways:

- May God richly bless your step of faith into this sacred work
- May the Holy Spirit move mightily among your family
- May we, as the church and the body of Christ, surround you with love, support and prayer

AV Team Commendation

We want to affirm and commend our AV team for their tireless and consistent service to our church family over the past year! They are faithfully working behind the scenes, setting up early and staying behind to pack up all sorts of devices, wires and power cables. If you would like to serve God through AV in 2024, please look for minister John Lim.

Building Access Form

Excitement is in the air as our building at 347 Pasir Panjang Road nears its completion!

At this stage, however, we would like to remind all members that it is near completion, not completed yet.

Thus, we seek your understanding to not enter the building until we have fully taken over ownership of the building for safety and legal requirements.

We would like to request for ministry leaders who wish to enter the building to make preparations such as planning the space or storing equipment to complete our Building Access Form by scanning the QR code above. This is to help us keep track of who enters our building, and to support the contractors in knowing who is allowed into the building.

Thank you for your understanding and cooperation in helping us prepare for the new journey ahead!

Focus Day 2024

cutt.ly/OwAySLx5

Today is the FINAL CALL to register for Focus Day! We need everyone who is coming to register so we can order food, and also for security purposes.

All are invited to participate, including Chinese, Deaf, Youth, GEMS and FFF ministries!

Please note that we will have to access the upper floors by climbing the stairs, as our lift is not operational yet.

As parking space in the church building is limited, we invite members attending to park at the Salvation Army opposite, the Ascendas building behind the Shell petrol kiosk, or street side along the landed properties nearby. Thank you for your understanding!
