Sunday Morning Worship

Revealed In Wondrous Mystery | 4 February 2024

For those of us who have travelled to different countries, we usually plan to visit famous landmarks around the area. These may be man-made marvels of engineering and architecture, or natural sites of great scale and beauty.

Do you remember that feeling as you're walking or driving towards that landmark, sensing the excitement build up, and finally seeing it come into view? How awe and delight fill your heart as you finally gaze upon what you have waited so long to see?

We believe that Jesus the Messiah is the Wonder of all Wonders, the One whom all God's creation has been hoping for throughout history. We proclaim that He has come indeed, that He was seen with human eyes and touched with human hands. Even now, we believe He continues to reveal Himself, to our wonder and eternal delight.

Theory of Man

TOP Update

The Rebuilding Committee has met with the architect and main contractor during the past week and is getting them to close the outstanding issues and will be re-submitting the TOP application this week.

Continue to pray for the successful application and will update the first worship date once we have the confirmation of the TOP.

Return to 347: Ushers and Traffic Marshals

We're looking forward to returning to our new building, and we're looking for volunteers to make our return a smooth and delightful experience! We're looking for members with the gift of hospitality to welcome, direct and offer assistance to everyone who enters the premises.

Here are the two roles available. Training will be provided to interested volunteers:

USHERS

- To direct people to the key facilities - toilets, lift, stairs, classrooms etc
- To be aware of where and when each class/ service is conducted
- To approach members and visitors who require assistance
- Duty starts 20 mins before Bible Class (9:10am)
- Duty ends at around 11am (TBC)

TRAFFIC MARSHALS

- To encourage drivers to move off quickly in order not to create a bottle-neck at drop off areas
- To direct traffic to parking lots at Science Park
- To assist passengers where required (e.g. unload car seats, strollers, bags in car boot etc)
- To anticipate potential traffic flow obstructions and take necessary steps to mitigate the situation
- Duty starts 20 mins before Bible Class (9:10am)
- Duty ends at around 11am (TBC)

Please contact brother Dennis Law (9618 1068) if you are interested or wish to find out more.
