## Sunday Morning Worship

### Song and Word | 11 February 2024

Chinese New Year festivities are in full swing, and it's a wonderful season for family bonding, rest and delight! While we recognise that many Chinese New Year traditions have pagan origins, how do we meaningfully observe the season as Christians?

To use just one example, we may not believe in the powers of the Chinese zodiac. However, it is one culture's way of describing the beautiful diversity of human beings—a principle which we Christians can heartily agree to. Perhaps it might even be a chance to share about the God who really governs our lives and makes us unique and beautiful in our own ways.

As we conclude our series on being a Revelational people, let us redeem the season of Chinese New Year to reveal Jesus to the world through our lives!

## Return to 347: Ushers and Traffic Marshals

We're looking forward to returning to our new building, and we're looking for volunteers to make our return a smooth and delightful experience! We're looking for members with the gift of hospitality to welcome, direct and offer assistance to everyone who enters the premises.

Here are the two roles available. Training will be provided to interested volunteers:

### USHERS

- To direct people to the key facilities - toilets, lift, stairs, classrooms etc
- To be aware of where and when each class/ service is conducted
- To approach members and visitors who require assistance
- Duty starts 20 mins before Bible Class (9:10am)
- Duty ends at around 11am (TBC)

### TRAFFIC MARSHALS

- To encourage drivers to move off quickly in order not to create a bottle-neck at drop off areas
- To direct traffic to parking lots at Science Park
- To assist passengers where required (e.g. unload car seats, strollers, bags in car boot etc)
- To anticipate potential traffic flow obstructions and take necessary steps to mitigate the situation
- Duty starts 20 mins before Bible Class (9:10am)
- Duty ends at around 11am (TBC)
