Suffering for Justice | 18 February 2024

What does it mean to be Compassionate? The word "passion" originally meant "to suffer" in Latin, not just "strong feelings" as it does in English. So when we speak of being "compassionate", we speak of "suffering with" others, just as Jesus did during his final days, known as The Passion.

In this series, we meditate on Jesus' suffering as he journeyed to the cross. May we feel His groaning heart and hear His prayers of agony as He shares in our suffering, and know that we are not alone. May we hear His gentle voice inviting us to follow him in becoming a Com-Passionate people, co-sufferers with the broken, and co-sufferers with the King.

Ministry Opportunity: Hosting Overseas Guests

This year, we are looking forward to many of our overseas brethren visiting Singapore to celebrate the completion of our new building and our 60th anniversary! As a Compassionate people, we want to show hospitality to these brethren who have travelled far to join our fellowship.

One of the great ways we practice this is by opening our homes for them to stay! People in the Bible did this all the time, as they believed that by welcoming strangers to stay with them, they were welcoming the presence of God (Matthew 25:40).

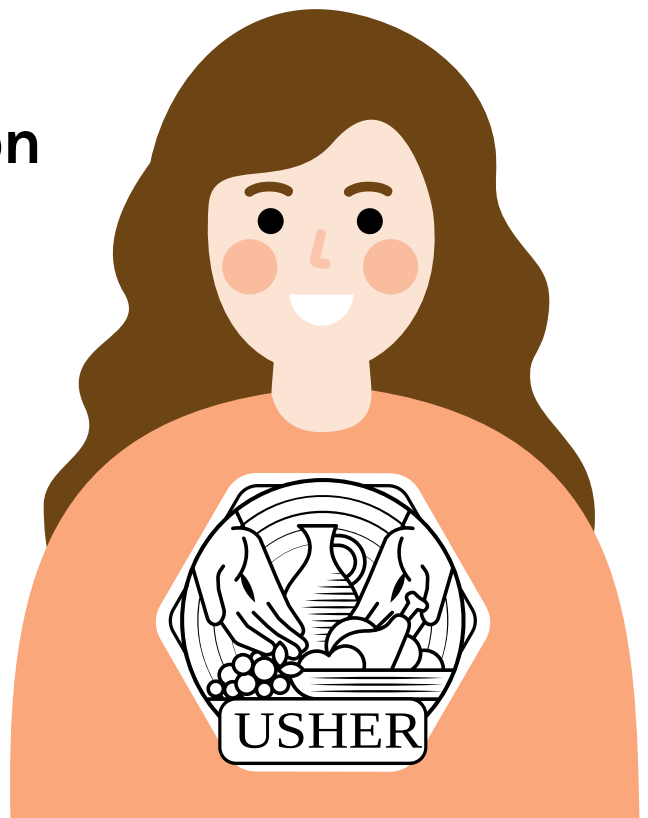

If you are willing to host our overseas brethren, please contact minister Kyle for more information on potential dates and what is entailed in hosting.

Usher Badge Presentation

We thank God for members who have answered the call to serve as ushers for the new building! These members will be the first representatives of our Table-Spreading family who welcome everyone into the house of God with grace and joy!

This Sunday, we will be presenting these ushers with their badges to affirm them for their hearts of service and commission them for God's glory!

SING: Shape Notes

Have you ever wondered what's going on with the squiggly lines and shapes on our song slides? Have you wanted a richer singing experience by knowing how to sing in harmony with your brothers and sisters? Have you dreamed of learning to sing a song just by looking at it?

Our monthly SING session will help us learn just how to do that! This Saturday, we will be learning the basics of shape notes, and anyone can learn it - you don't even need a music background!

Our best hope is to equip every PP member with the ability to sing in harmony and with confidence and joy, to the glory of God and the encouragement of all!
