### Suffering for Reconciliation | 3 March 2024

Jesus once said, “Blessed are the peacemakers”, which sounds like it’d be a really nice and pleasant thing to be. That is, until you realise that peace is ‘made’ where there was no peace before. Peacemakers are those who enter into dangerous and violent situations to bring reconciliation between two groups who usually don’t want reconciliation. That’s a recipe for suffering.

When Jesus calls us to be peacemakers, it’s more than a call to be generally “nice people”. It’s a call to expose ourselves to danger and suffering for the sake of reconciliation. So the next time we get hurt while trying to do the right thing of bringing peace, that’s a good sign that Jesus is working in us.

## Condolences: Family of Bro Wan Fook Weng

The church offers its condolences to the family of the late Brother Wan Fook Weng, a longtime member of PPCOC. He passed away peacefully on Saturday, 24 February, aged 91, surrounded by family members. He was cremated on Tuesday, 27 February.

The Wan family thanks PPCOC for the condolences and support offered during this time of grieving.

Sister Pang Kok Heong, wife of the late brother Wan and a member of the Chinese congregation, wishes to present a gift of \$10,000 to the Mission Fund. She has also made a separate gift to the Chinese congregation.

Let us continue to keep this family in prayer.

## TOP Approved & First Events

We received news on Friday evening that our TOP has finally been awarded! We praise God for bringing us to this important milestone! This means that our staff, ministry leaders, and Facility Stewardship (FAST) Team can truly begin preparing the building for the church's use.

The building will not be fully operational until later this month. Contractors are still managing the building to complete the final works and checks. There is also a handing over process to be completed from the contractors to the staff, which will take some time.

Our first church events at the new building will be held on 29th March (Good Friday PH) and 31st March (inaugural service). Save the dates and stay tuned for further details!

## Facility Stewardship (FAST) Team

As we prepare to enter our new building, we look forward to this space being used for kingdom purposes! We hope for PP members to make full use of the facilities, and for members of the public who share our values to come to the house of God and find a welcoming, Spirit-filled space.

The FAST Team is empowered by the Board to steward the premises at 347 PP Road for the blessing of all members, visitors and guests. They are:

Peter  
Lim

Jason  
Mok

Donald  
Siew

Irvin  
Wan

Josephine  
Seah

## Facility Request Form

With the size of our building and the many ministries going on, our FAST Team has designed a system to support our stewardship and use of the building in a sustainable manner.

All PP members and members of the public who hope to request use of selected facilities in the building will need to complete a Facility Request Form via [cutt.ly/PPREQUEST](https://cutt.ly/PPREQUEST).

The building facilities will be available to request from 31 March onwards. After receiving written approval from the PP staff, users may use the space in accordance with the Terms of Use stated in the form. If you have any questions or clarifications, please drop us an email at [hello@ppcoc.org](mailto:hello@ppcoc.org). Thank you!
