Suffering Even When It Seems Pointless | 10 March 2024

We're all familiar with the feeling. You've put in 120% to get the job done, you make sacrifices to complete a task that was actually someone else's to do. And then you're rewarded not with appreciation but complaints, not with gratitude but dissatisfaction. What was it all for? What was the point of going through all that suffering if it doesn't bear any fruit?

Being a compassionate people means we are the kind of people who choose to enter into the suffering of others and share their pain. Sometimes, it will feel pointless - why make life worse for ourselves without any clear benefit?

But Scripture tells us that suffering, even the most pointless kinds, points towards Jesus. He has conquered all suffering and given it new meaning and hope. In Him, there is no pain without a purpose.

Church Commissioning: Discerning Together

The church is organising a special event on Wednesday, 1 May (Labour Day holiday) to introduce our new church building to the community! This will be an “open house” where we invite friends, former members and members of the Pasir Panjang community to the church, and where we publicly affirm our desire to be a church that blesses those around us.

We invite your contribution to make this once-in-a-generation event as meaningful as possible! Please pray with us for God's direction for this event, and share your discernment of His will through [this Google Form](#). Thank you!
