Sunday Morning Worship

RESTORED

FOR RESTORATION

Restored At The Table | 28 April 2024

One of the greatest feelings in the world is when you take the first bite of the food you've been craving. Whether that's the Hokkien mee from that one hawker stall that gets it just right, or the cup noodles made for a late-night snack, food has this uncanny "power" to make the world a better place.

Biblically speaking, eating and drinking is the very place where God meets His people to restore them. As our bellies are filled, it becomes a window into how God fills our souls with His Spirit. In a very real sense, the Table is a holy place, and eating and drinking are transformed into holy practices where we meet with God.

As we conclude our series on being a Restorative people, we pray that you have been encouraged to see God's restorative power at work in your life!

Living in the Land: Lift Lobby at Level 1

For safety reasons, we encourage members not to linger around the lift lobby area at level 1. This is to allow sufficient space for those being picked up by their car/shuttle bus to board.

If you would like to stay longer to chat with others, we invite you to remain in the Auditorium, where there is both space and air-conditioning!

We also seek your understanding not to make noise near the MPH. Our Chinese congregation may still be in the midst of their worship and Bible classes, so let us create an environment where they can be fully focused on God!

Living in the Land: Food in Annex (202-203)

Starting this week, the Annex (Rooms 202-203) will be opened for everyone to enjoy snacks and drinks after Bible Class and Worship.

Please consume them in the Annex only, as food and drinks are not allowed in the Auditorium.

Modular Bible Classes - No Livestream

As we move into modular 9:30am Bible Classes, we will not be live-streaming or recording our classes. 11am worship services will continue to be live-streamed. We invite all to join our wide variety of in-person class offerings!

Gardening Ministry: Workshops

The Ministry will host three workshops on 27 April, 11 May and 1 June. All ages are welcome. Each features a special topic and hands-on experience, such as:

- Gardening techniques
- Trimming, Harvesting, Pest Control
- Healthy Eating Habits
- And more!

Honouring the Rebuilding Committee

We have been worshipping in our building for a month, and what a joy it has been! At today's worship service, we honour and affirm the Rebuilding Committee (RBC) who have worked tirelessly since 2017.

Thank you RBC for serving the Lord and His church with your gifts and talents!

Presentation of Eliza Wee

Jeremy and Olivia Wee will be presenting their second child, Eliza Wee, to the church at this morning's service. We celebrate this gift of life as the family of God, and dedicate her to the glory of God!

FAQ

Q: Who's coming on 1 May?

A: We have invited many guests to share in the joy of our new facility and also to share our desire to be connected with our community. These guests include:

- Residents living along Pasir Panjang Road
- Family and friends of PP members
- Representatives from Christian organisations and churches
- MP Rachel Ong

Q: Who's coming on Sunday, 5 May?

A: We expect over a hundred visitors for this special Sunday, including:

- Some residents along Pasir Panjang Road
- Family and friends of PP members
- Our extended Church of Christ family, especially Moulmein, Citivision, and Woodlands Churches of Christ

Q: How can we be generous hosts to our guests on Sunday, 5 May?

A: In view of our many expected guests, we seek to be as welcoming and generous as the Lord enables us. Here's how we will be "spreading the Table" for them:

- All Bible classes will end by 10:20am to welcome our guests from 10:30am
- Members are requested to sit in the Annex for worship to make room for our guests
- Smile at everyone! If you are sure someone isn't from PP, say "Welcome" or "Thank you for joining us!" If you are unsure, it's perfectly fine to simply say "Good morning!"
