Sunday Morning Worship

The Table of Scattering | 9 June 2024

Picture this: you've just finished the most wonderful meal surrounded by a group of your best friends. Time wore on, but nobody wanted to leave because everyone was fully immersed in the community. Alas, your eyelids begin to shutter and your head starts to droop. Yet there is a smile on your face from the memory of the meal.

You return home and you wonder if you could do it all again. What if every Table with your family could be this wonderful? What about your business lunches or dates with your partner? What's stopping the culture of that glorious Table from becoming the culture of every Table in your life?

As it turns out, that is exactly what God intends. And when we're on His side, we can be ready for amazing things to happen.
