## Sunday Morning Worship

### Here Am I, Lord Send Me | 23 June 2024

Today, we begin a new worship series! From the time of the resurrection, the people of The Way have been a people of witness. Their personal stories are the stories of how God showed up in their lives in powerful ways, transforming them into the people He called them to be.

Today, brother Lee Hock will expound on Isaiah 6:1-8, on how the prophet Isaiah was commissioned for the work of the Lord. Though he thought he was inadequate (and he was right), God did something amazing to renew and restore him.

Do we realise that God might be doing the same with us today? Might God be calling us to a Table-Spreading mission that we are unqualified for precisely so that we would lean entirely on Him?

## Ministry Opportunity: Hosting Overseas Guests

This year, we are looking forward to many of our overseas brethren visiting Singapore to celebrate the completion of our new building and our 60th anniversary! As a Table-Spreading people, we want to show hospitality to these brethren who have travelled far to join our fellowship.

One of the great ways we practice this is by opening our homes for them to stay! People in the Bible did this all the time, as they believed that by welcoming strangers to stay with them, they were welcoming the presence of God (Matthew 25:40).

If you are willing to host our overseas brethren, please contact Josephine Seah at [josephine@ppcoc.org](mailto:josephine@ppcoc.org) for more information on potential dates and what is entailed in hosting.
