Sunday Morning Worship

Renewed by the Spirit and Grace | 28 July 2024

From the time of the resurrection, the people of The Way have been a people of witness. Their personal stories are the stories of how God showed up in their lives in powerful ways, transforming them into the people He called them to be.

This week, brother Romaine Jackson, deacon overseeing our GEMS ministry, reflects on his journey of being renewed by the Spirit and the grace of God. One of our basic beliefs as Christians is that we don't earn our way into God's favour by our own efforts, but we are fully dependent on the Spirit to transform us from the inside out.

But renewal doesn't end with the heart; a transformed heart leads to a transformed (righteous) way of life. May God grant us the grace we need to live as transformed people!

Spiritual Retreat: Seremban, Malaysia

This week, Irvin, Kyle and a contingent from PP are in Seremban for a spiritual retreat facilitated by Seth Bouchelle and Becca Patton. This retreat is designed for church leaders to rest and experience spiritual formation, equipping them with skills that will empower them for future ministry.

This retreat is attended by almost 100 people from around Asia and the world. It is a powerful Missional opportunity where our members can contribute to leadership development in churches across Asia. We look forward to hearing the fruits of their experience!

Church Communications Policy

In recent weeks, we celebrate our many activities and initiatives as evidence that God is growing this church family. As we continue to grow, we discern the need to improve the way we communicate so that you get relevant information in a timely and impactful way for the sake of God's Mission.

We are developing a communications policy with guidelines for ministry leaders and event organisers to work with the Church staff. This policy guide will be sent out to all ministry leaders and interest group leaders. Through this, we hope for the church to benefit from:

- Clarity of information (times, dates, locations of events)
- Conciseness (time and attention on Sunday can be maximised)
- Culture (we see all these initiatives as part of God's bigger story)

Recap: GEMS Workshop with Mission Bible Class

The PP Teachers Workshop was held on Saturday, 20 July. Sisters Mary Nelson and Gina Nored of Mission Bible Class shared many wonderful ideas and techniques with our GEMS teachers using resources that Mary had created and practiced for over two decades.

It was an inspiring session as the teachers had a great number of takeaways that they could use in teaching the GEMS classes. There was also a Teachers Appreciation lunch and each teacher went home with a token of appreciation for their hard work and efforts as part of the teaching team.
