## Sunday Morning Worship

### Generosity Is Image-Making | 4 August 2024

Our Creator God has always been a Divine Host who generously spreads the table of life, inviting all of creation to partake in His abundant gifts. As one who is Missional, God actively partners and dwells with us to fulfil His Kingdom purposes, always providing what is needed.

Our world, however, is always telling us that we are lacking, that we don't have enough, and that we need something bigger, better, or more flashy. God's good news tells quite a different story: that He supplies our every need, and that we can always afford to give more than we think.

As we seek to become more like our God, let us learn to live in communion with God and His people by understanding and embracing a life of togetherness and generosity.

## Staff Commissioning: Year 3

Liesl Low

John Lim

Irvin Wan

Kyle Hooper

Josephine Seah

This week marks the beginning of the third year that Irvin, John and Kyle have been working together at PP. Many wonderful things have happened in the last couple of years, including new staff (Liesl and Josephine), a new leadership team, many new initiatives and of course our new building. We celebrate what God is doing here at PP!

We also celebrate the renewal of Kyle's employment pass, which means he and his family will continue to serve with us for several more years!

The staff team of PPCOC are committed to discerning and enabling the vision that God has for our church family. This is a huge task, and we confess that we are in need of grace – both from our God, and you, our church family.

This Sunday, our elders will pray over the staff during our worship service to commission them for this new year of sacred work together.

## Collection for Typhoon Carina (Philippines)

Over the last week, several parts of the Philippines were hit by Typhoon Carina. Although Carina has left the Philippines, many outlying areas remain damaged and flooded.

Brother Chito Cusi, president of the Church of Christ relief organisation MARCH For Christ, has highlighted the need for essential goods such as rice and foodstuffs, water, hygiene products like soap, toothpaste, shampoo, medicine, and blankets.

As Compassionate mission partners with the Philippines, we wish to have a special collection to enable Restorative relief work. The church leaders have approved \$2000 from the Mission Fund to go towards this work. We also appeal to all members to give as the Lord moves in your heart to give.

On 4 and 11 August, please scan the Mission Fund QR code and include “Carina” in the remarks section. For accountability reasons, we encourage members to give through this Mission Fund rather than making direct individual contributions.
