Sunday Morning Worship

Seeing Baptism | 5 January 2025

Happy New Year! We begin a new worship series this week based on our second church value, "Revelational!" We'll be in the Gospel of John, which is full of the language of darkness and light, blindness and seeing. We will explore how Jesus reveals himself to different people in different ways through the stories of John.

This series challenges us to move from spiritual blindness to spiritual sight, examining how we see God working in our world today. Through stories of baptism, calling, miracles, and transformation, we'll discover how Jesus invites us to "come and see" - not just with our physical eyes, but with the eyes of faith.

As we enter the Year of the Spirit during the season of Epiphany, we'll learn to discern God's presence and purpose in unexpected places and people.
