Seeing Greater Things | 12 January 2025

While Apple Inc. is most famous for making the iPhone, it is also famous for making powerful presentations. With a habit of saving its biggest announcements to the very end, the presenter would simply say, “Oh, one more thing.” And the biggest news gets dropped.

Jesus came announcing that the kingdom of God had come to earth, and great power was unleashed everywhere he went, proving his message. But more than the miracle healings, more than him standing up to oppressive leaders and defending the lowly, he had bigger news in store - he himself is the King of that kingdom.

Do you think that you’ve grasped everything there is to King Jesus? Have you figured him out inside-out and top-to-bottom? Well, it just may be that there’s “one more thing” you might have missed. And it’s big.

GEMS Celebration (29 December 2024)

GEMS Celebration 2024 was an occasion for the children to proclaim God's Goodness throughout the year.

Through the videos that captured their activities and lessons, it was evident that they had been truly blessed by God, and through their performances they declare the Goodness and Mercy of God - something that sustains us in all circumstances. What a day of rejoicing, indeed!

Welcome Baby Eloise Kooi

We rejoice with the family of Ryan and Germaine Kooi on the birth of their daughter, Eloise, who was born on 6 January 2025. We also congratulate Andy and Veronica Lim on being first-time grandparents!

We pray that God's blessing will be upon this child, that she may grow into the beauty of Jesus Christ, and be filled with the power of the Holy Spirit all the days of her life!
