Sunday Morning Worship

Seeing Past | 19 January 2025

Have you ever stood in the middle of a crowd trying to find someone? Perhaps it's your colleague who found an empty table during the lunch rush hour, or a friend who's just gotten off a packed MRT train. And as the people stream past you, your eyes dart around until they land on a familiar, smiling face, and everything else fades into memory.

As we live through the chaos of this life, we go through all kinds of upsets and setbacks. It can feel like we're in a big crowd, always being shoved about by strangers we don't know, situations we can't control, and we're desperately searching for something or someone to hold on to.

Jesus invites us to rest our eyes upon Him. He challenges us to see Him through the noise of the crowd and the hustle and bustle of life. And when we do, Scripture says, the storms of life will be stilled, and we find everything we've ever wanted.

Come and See – Gamified!

These works by local artist Chez Hemdi playfully imagine what the life of Jesus might have looked like here in Asia. How many can you spot?

Number and name them on the printouts and submit your answers by Sunday, 2 February, and stand to win a prize!

These printouts and answer sheets can be found outside the auditorium.

May the Spirit of God grant us eyes to see Jesus wherever we go!

Missional Initiative: TTSH Visitation

This Saturday, sister Mee Geok and a team of 13 PP members will be visiting Tan Tok Seng Hospital where they will share the good news and the presence of Jesus to patients during the Chinese New Year season.

We affirm their missional spirit and for wanting to partner with God's desire for healing and restoration of body and soul.

We seek your prayers to cover this team with God's blessing in these ways:

- Lead us to the patients who need our support
- Grant us sensitivity to their physical, emotional, and spiritual needs
- Provide us with words of encouragement, comfort, and hope
- Open opportunities for us to share God's love and salvation
- May our outreach be a blessing to the patients and a reflection of God's love and care.

Gardening Ministry - January 2025

January has been a rainy season, but the work of gardeners continues, rain or shine. In the first week of 2025, we saw that our banana trees were growing very well - our first 7 trees have grown to more than 20, all of which are bearing fruit. Some of them have grown so tall that we decided to trim them for safety purposes.

Cutting these trees needs special knowledge and physical strength. We are very blessed that Brother Mak Kok Meng offered his electric tools and expertise. Together with Ronald, Francis, Li Min, Joanne, Molly and Mr. Tan Hui Nam, we managed to trim our trees and use the excess to create compost. With Elise and her helper, we also harvested the banana leaves for sharing with members on Sunday.

At another time, 8 of us came to church to care for the indoor plants. We potted some of the plants in preparation for our nursery.

Each time we meet, we complete our work with a lunch gathering and bonding time to share God's word. We hope that you can consider joining us for some of our gardening sessions!
