Sunday Morning Worship

Empathy from the Eremos | 16 March 2025

In our world of social media, content creators, and digital influencers, it can feel like everyone is enjoying a good life - except you. You alone know about the stresses you're going through, the issues that keep you up at night, and the people you're struggling to get along with. No one else knows how hard your life truly is, and it makes us feel totally alone.

But what if our struggles are also the key to true community with others? What if our struggles don't make us different, but allow us to empathise with those who are wandering and lost in the world? What if Jesus invites us to join them in the truest of friendships?
